I / We wish to participate in the above tour and enclose my non-refundable deposit of \$500.00 per person. This deposit is required in advance to secure your place on the tour. EXTENSION OF ITINERARY

There may be the possibility of extending your travel upon the completion of a GROUP tour. However, this will be subject to the terms and conditions of the group airfare which, depending on the airline, may require the group to depart and return on the same flights. If you are contemplating extending your travel plans, please advise in the space above or via email and we will contact you to advise what options are available.

Please ensure your passport is valid for no less than 6 months after arrival back in New Zealand
